Part-Time Community Leadership Program Co-Facilitator

Adventure Risk Challenge (ARC) is a youth development non-profit that integrates academic and outdoor programming for underserved high school youth in the Central Valley and Tahoe-Truckee, bolstering their skills as learners, leaders and community members. Our strategy incorporates literacy instruction (critical thinking, writing, reading, and public speaking) and challenging leadership and life-skills training (goal setting, teamwork, resilience, and personal responsibility) into outdoor settings and alternative classrooms. ARC has been providing life-changing opportunities for youth since 2004. ARC will be offering academic-year and summer programming for Firebaugh High School students in 2020-21. - Share decision-making power, responsibility, and voice with youth such as co-creating activities, systems, and policies, facilitating meetings, and encouraging youth to hold each other accountable
- Develop a highly functioning team of youth
